

Seth Walton

(785)-766-6581 sdwalton83@gmail.com 111 S Janell Dr. Olathe, KS 66061

Objective

Start A new Career in the IT Field. That will allow me to apply my current skills and further my education in the field of technology.

Experience

OWNER/OPERATOR, WALTON ELECTRONICS – 2008-PRESENT

Run an Electronics repair shop. Repair electronics, computers, and mobile devices. Install networks and electronics. Supply yearly Computer Remote Desktop/repair contracts.

HARDWARE TECHNICIAN, NATIONAL INSTRUMENTS – 2005-2007

Research and Development of PXI/VXI, Pci-e RIO Controllers. Soldered and repaired our prototype controllers. Designed PCBs and researched and installed new components for the PCBs of both VXI and PXI platforms.

LAB ASSISTANT, ITT TECH – 2003-2005

Assisted and taught students in Programming classes, AC/DC electronics, PLC classes. Was Network Administrator Assistant as well. Installed New Network and computers in the whole school.

PARTS ASSISTANT, WOMACK SUNSHINE – 1997-2001

Started with Detail Services then I worked with Parts Inventory. I also did OJT through my High school designing their webpage.

Education

ITT Technical Institute, Austin TX – Computer and Electronics Engineering (AAS)
Graduated Highest Honors, GPA 3.9 2003-2005

Skills

Visual Basic, X-Code, Swift, LabView, Windows and Mac Platforms, Microsoft Office, Digital Electronics, PC technology, Network Concepts, Electronic Communications, Electronic Devices, Microprocessors, Signal generators, Multi-meters, Soldering, Team Viewer Remote Desktop, Working with clients to Troubleshoot/Diagnose and Repair their hardware/software issues. Maintaining Good Customer Support for Return Business. Educating Customers on how to properly use their Electronics.
