

# SETH WALTON

◆ SOFTWARE ENGINEER ◆

◆ sdwalton83@gmail.com ◆ wmadhatterw.github.io/SethWaltonPortfolio ◆ (913)742-3941

## SOCIAL

<https://github.com/wmadhatterw>

<https://www.linkedin.com/in/seth-walton>

## OBJECTIVE

Start a new career that will allow me to solve challenging problems by applying my current skills and furthering my education in the field of technology. Helping clients solve their problems with the most efficient solution and technology available is my passion. Learning new technology, languages, and teaching others to use new technology inspires me.
